TANJUNG KELAYANG SEZ
home of rainbow troops

• “Laskar Pelangi” is a famous novel and film in Indonesia. Belitung Island becomes the background of this piece of art. Tanjung Kelayang Beach is not an exception. It is a popular destination for locals and foreigners. The location is about 28 km from Tanjung Pandan City. The beach is considered an icon of Belitung Island.

• Tanjung Kelayang is one of the most beautiful beach in Belitung. It has white sands alongside the beach. Tanjung Kelayang Beach features blue and clear seawater.

• Tanjung Kelayang Beach features beautiful shorelines. The length is about 4 km. The seawater is calm so it is suitable for swimmers. In the west, it can find 3 small islands. The distance is approximately 750 meters. The west part of the island is suitable for witnessing the sunset.
